Good thing I got the bigger room.

At the end of the meeting, please provide me with a list of all of STP personnel and supporting contractors that attended the meeting or were on the telephone line.

Rocky,

No decision yet...will talk to Bob Quinn in the a.m. tomorrow and let you know on the phone line.

Please add two additional names to the roster for 5/3 and 5/4; Tom Daley and Steve Thomas.

Thanks Rocky.

Jim,
Why can't we use our own line? Then we have more control. All we need is a phone.

Rocky Foster has arranged to provide a bridge line for our May 3 and 4 closed meeting on the fuel racks. He indicates it is up to us to control distribution of the number and pass code to those individuals authorized to listen in on what may include discussions of information proprietary to Westinghouse.

Please advise how Westinghouse would like to control access to this bridge line. I have the information from Rocky via E-mail and will not distribute until I hear from you.

Regards,

Jim
