Chris,

When we issued the recent DOE TMI-2 ISFSI inspection report (72-20/2011-01) on April 7, 2011, two of the reports (Coalition 21 and Snake River Alliance) came back as undeliverable. We contacted the two organizations and found they had changed their address. We requested that they send an address update to the NRC Document Control Desk.

In addition, Dennis Whitham informed us that Mr. Dennis Miotla, Idaho Operations Office Interim Manager needed to be removed. We requested that he also send a letter to the NRC Document Control Desk making a request to remove him.
