Subject: RE: Endorsement of Comanche Peak RAI; No Need for Clarification Call on Draft RAI 14.3.10-***
Importance: High

Chandu,

[Yes, I agree.](#) RAI Subpart e – which deals with EALs – may be withdrawn, as this should be addressed by Dominion (in their next COLA update in June) as part of their endorsement of Comanche Peak’s RAI response associated with the same issue. I wrote this RAI subpart question in early March, prior to receiving Dominion’s March 16, 2011 (“me to”) letter, referenced below.

Bruce,

Do you agree with the statement below from Dominion. If so, are you in agreement to remove Part e from the RAI? Please let me know so that I may issue it as final.

Thanks,
Chandu

Subject: Endorsement of Comanche Peak RAI; No Need for Clarification Call on Draft RAI 14.3.10-***

Hi Chandu,

We have reviewed the following draft RAI that was submitted to Dominion, and determined that we have endorsed Comanche Peak’s response to an RAI that is associated with the same issue:

<u>Dominion Draft RAI</u>	<u>Topic</u>	<u>CP</u>
14.03.10-*** Subpart e Supplement 1)	EP ITAAC on emergency classification and EAL scheme	3925 (13.03-1,

We endorsed CP's response in Dominion letter NA3-11-014, dated March 16, 2011. Therefore, we are requesting that the NRC withdraw Subpart e of this RAI.

We do not need a clarification call on the other four parts of the RAI.

Please let me know if you have any questions.

Thanks,

Gina
