Subject: RE: ADDITIONAL INFORMATION NEEDED FOR AMENDMENT REQUEST DATED 10/22/10 - STATUS UPDATE

Jackie,

As per the hospital leadership, they have decided NOT to continue with the amendment with the materials licensure. We will simply continue to bring the patients into our facility for the radionuclide injections.

Thank you for your help. I will contact you again if this changes in the future.

Sincerely,

Jeremy:

Thank you for the "heads-up". You're welcome! I'll just check with you ever so often to get a status update, ok?

Jackie

Jeremy:

Please find attached the amendment request dated 10/22/10, my request for additional information dated April 7, 2011 and your facility's response dated January 24, 2011 and received April 7, 2011.

In addition, please submit a copy of the agreement from Mountain View Regional Hospital's management that will allow Central Wyoming Neurosurgery, LLC to use radioactive material there. In addition, please have Mountain View Regional Hospital to confirm that they do not have a NRC Byproduct Materials License.

Thanking you in advanced for your prompt response to this request.

Sincerely,
