Dear Mr. Smith:

This letter refers to our meeting at your Honeywell Specialty Chemicals facility in Metropolis, IL, on May 23, 2011, during which we discussed the results of the NRC evaluation of your performance in the four major areas of safety operations, radiological controls, facility support, and licensing activities covering the periods of January 7, 2010, through December 31, 2010. The meeting also afforded you the opportunity to provide feedback to the NRC regarding your self assessment and perception of the NRC performance review. The meeting was beneficial and provided the NRC with an acceptable level of confidence of your continued safe and secure operation of the site.

The meeting also afforded the members of the public the opportunity to ask questions and provide feedback to the NRC regarding our inspection program for Honeywell Specialty Chemicals.
