The purpose of this modification is to: (1) exercise option year three in accordance with Federal Acquisition Regulation Clause 52-217-9, entitled, "Option to Extend the Term of the Contract," and Contract Clause B.3.12, entitled, "Duration of Contract Period," thereby extending the period of performance through June 22, 2012. As a result of this action, the delivery order ceiling amount is increased by \$3,862,090.44 from \$11,279,488.32 to \$15,141,578.76, and (2) revise Subsection C.2, entitled, "Availability of Funds for the Next Fiscal Year."

Accordingly, the following changes are hereby made:

1. Under Subsection B.2, CONSIDERATION AND OBLIGATION-TASK ORDERS, Paragraph a is deleted in its entirety and substituted with the following in lieu thereof:

"(a) The total estimated amount of this delivery order (ceiling) for the products/services, ordered, delivered and accepted under this order is **\$15,141,578.76**. The Contracting Officer may unilaterally increase this amount as necessary for orders to be placed with the contractor during the contract period provided such orders are with any maximum ordering limitation prescribed under this contract."

2. Subsection B.3.12, DURATION OF CONTRACT PERIOD, is deleted in its entirety and substituted with the following in lieu thereof:

"The ordering period for this order shall commence on June 23, 2008, and will expire on June 22, 2012. Any orders issued during this period shall be completed within the time specified in the order, unless otherwise specified herein. (See 52.216-18). The term of this delivery order may be extended at the option of the Government for an additional two (2) one-year periods."

3. Subsection C.8 - AVAILABILITY OF FUNDS FOR THE NEXT FISCAL YEAR, is deleted in its entirety and substituted with the following in lieu thereof:

"Funds are not presently available for performance under this contract beyond June 22, 2012. The Government's obligation for performance of this contract beyond that date is contingent upon the availability of appropriated funds from which payment for contract purposes can be made. No. Legal liability of the part of the Government for any payment may arise for performance under this contract beyond June 22, 2012, until funds are made available to the Contracting Officer for performance and until the Contractor receives notice of availability, to be confirmed in writing by the Contracting Officer."

All other terms and conditions under this delivery order remain unchanged.
