Thanks, Drew. I figured it would be best to cover all of the bases. Enjoy your weekend, too.

Hi Joan -

I see from your e-mail of 5:12p yesterday that you decided to submit DEC's document directly to me, to the Indian Point EIS Resource e-mail address (that address also belongs to me), and to the Board and parties, as well.

I have received your e-mail and the document attached to it.

Enjoy the Memorial Day weekend!

Best regards,
Drew

Hello Drew,

The New York State Department of Environmental Conservation will be filing comments on the Final Supplemental EIS that the NRC issued for the Indian Point license renewal application.

How do you prefer/recommend that we file the comments? Send them attached to an email to you? Some other way? Please advise.

Thank you.
