Dear Ms. Piccone,

Please consider this my official reappointment of Susan Jenkins as the state official for South Carolina designated to receive advance notification from the United States Nuclear Regulatory Commission (NRC).

As the designee, Ms. Jenkins will receive advance notice for the transportation of certain shipments of nuclear waste and spent fuel through South Carolina and of other shipments of certain radioactive materials from the NRC and Agreement State licensees as part of the enhanced security measures issued by the NRC following the terrorist events of September 11, 2001.
