Dave,

In response to your 5/25/11 email to D. Barss, the current status of eRAI 5679 is that we're awaiting SNL's review of FPL's response to the RAIs in eRAI 5679, which consist of evacuation time estimate (ETE) questions. I'll let you know when we have resolution on the questions, and the RAIs can be closed out.

Bruce,

We are unable to open the response document. I believe it is in the non-public side of Adams because of the 'A' in the **ML11145A042**.

Can you please email separately or fax to us (505-844-2348).
