Subject: Decommissioning Funding Plan Withdrawal

Reference: Letter, J. F. Conant (ABB) to J. Nicholson (NRC), dated February 23, 2010

Dear Mr. Nicholson:

ABB Inc. ("ABB") submitted a Decommissioning Funding Plan to the U.S. Nuclear Regulatory Commission Region I ("NRC") under cover of the Reference letter. Given the amount of decommissioning work achieved since submittal of the Plan, and the fact that the NRC has deferred its concurrence of the Plan until after the current Decommissioning Plan Rev 2 NRC review is essentially complete, ABB has decided to resubmit the Plan. The resubmittal will incorporate additional work performed more recently. Correspondingly, ABB respectfully requests the NRC to withdraw the Plan submitted February 23, 2010, and void the requested action. A revised Plan is expected to be submitted by mid-July 2011.

If there are any comments or questions concerning this request, please do not hesitate to contact me at (860) 687-4904, or by e-mail at john.conant@us.abb.com.

Sincerely,

ABB INC.

John F. Conant
Senior Project Manager
