13:10 I left a message on Mr. Holliday's voicemail for him to get back in touch with me.

09:30 I spoke with Mr. Holliday about whether the licensee intended to renew the license because an application had not been received by the Region I office as of today's date. Mr. Holliday stated that he would have to talk to the company's bookkeeper but he believed that the money had been sent in already. I explained the difference between the processes behind the annual fees and the renewal process. I then assisted Mr. Holliday in navigating the NRC website to NUREG-1556, Vol. 1i and gave him information on how to complete it. Mr. Holliday stated that he would complete the forms and submit them to the Region I office prior to June 30, 2011.
