Date Rec'd: 6-6-11

Hello

My name is Clark Burns, senior researcher, Energy Today Magazine. I am seeking records under the Freedom of Information Act.

I'd like to get a list of your vendors, suppliers, and service providers and what was spent in the last physical year with each.

Company name and amt spent is what I'm looking for. If a phone number is avail that would be good too.

I am willing to pay any associated fee per this request.
