Subject: Request to Extend Review and Comment Period on Draft Crow Butte License

Ron- On May 26, 2011, Cameco received the draft license for the Crow Butte license renewal. In that correspondence, NRC requested comments within 14 days of receipt.

Cameco has been collecting data and preparing a sampling plan that could obviate the need for several of the license conditions, but requires additional time to finalize the information and prepare a cohesive response. For that reason, Cameco requests the due date for comments be extended until July 1, 2011.

If you have questions please do not hesitate to call.

thanks. .john
