REMARKS: IMC 0609 Att 1 (Significance and Enforcement Review Panel Process) has been revised to add use of SAPHIRE version 8; update the participants and members of the Significance and Enforcement Review Panel (SERP); and clarify guidance on the deadline that licensees have to submit additional information. In addition, the revision clarifies guidance for changes in post-conference significance determination of findings as a result of new data provided by the licensee.

IMC 0609 Att 2 (Process for Appealing NRC Characterization of Inspection Findings (SDP Appeal Process)) has been revised to clarify that licensees submit additional information within a reasonable period of time agreed upon between the NRC and the licensee.
