RE: Request for Change of Control for NRC License No. 21-20324-01

Dear Material License Reviewer:

Cardiovascular Specialists, P.C. located at 29645 W. 14 Mile Road, #200, Farmington Hills, MI is currently licensed by NRC (21-20324-01) for 10 CFR 35.200 except xenon-133 and generators, for imaging limited to cardiovascular clinical studies. Two of the authorized users listed on this NRC License, Lynn Keith Miller, M.D. and Chandrakant Pufara, M.D. will be leaving Cardiovascular Specialists to start a new practice at a different location. Cardiovascular Specialists, P.C. have entered into an agreement with Beaumont Health System to change ownership to Beaumont Hospital, Royal Oak, MI. Under the sales agreement, Beaumont Health System will purchase all the equipment, furniture, property and employ all the personnel located at 29645 W. 14 Mile Road, #200, Farmington Hills, MI.

Upon execution of the Bill of Sale on September 1, 2011, Beaumont Health System will become the sole owner and assume direct control of the activities and radioactive materials authorized under NRC License No. 21-20324-01 located at 29645 W. 14 Mile Road, #200, Farmington Hills, MI.

We request written consent from the U.S. Nuclear Regulatory Commission for the direct change of control of the licensed facility at 29645 W. 14 Mile Road, #200, Farmington Hills, MI from Cardiovascular Specialists, P.C. to Beaumont Health Systems under NRC License 21-20324-01. The following documentation is provided in accordance with NUREG-1556, Vol. 15, Section 5.

5.1 Description of the Transaction

Upon execution of the Bill of Sale on September 1, 2011, Beaumont Health System will become the sole owner and assume direct control of the activities and radioactive materials authorized under NRC License No. 21-20324-01 located at 29645 W. 14 Mile Road, #200, Farmington Hills, MI. This includes purchase of all the equipment, furniture, property, employment of all the personnel and all its covered clinical services, including nuclear cardiology.

RECEIVED JUN 10 2011

The name of the address where licensed material will be used or possessed will be changed to Cardiovascular Specialists Beaumont, 29645 W. 14 Mile Road, #200, Farmington Hills, MI 48334

The new licensee contact for this facility will be the Corporate Radiation Safety Officer for Beaumont Health System, Cheryl Culver Schultz, M.S. She can be reached at (248) 551-0548, if you have any questions or require additional information.

5.2 Changes in Personnel

Cheryl Culver Schultz, M.S., Corporate Radiation Safety Officer, Beaumont Health System will serve as the new radiation safety officer, and assume direct oversight of the nuclear cardiology facility at 29645 W. 14 Mile Road, #200, Farmington Hills, MI.

The following authorized user listed will remain on NRC License No. 21-20324-01.

<u>Authorized User</u>	<u>Category</u>
Demetris M. Demetriou, M.D.	10 CFR 35.200 (limited to cardiovascular clinical studies)

The following authorized users will be deleted from NRC License 21-20324-01: Lynn Keith Miller, M.D. and Chandrakant Pufara, M.D.

5.3 Changes in Location, Equipment and Procedures

The NRC licensed program at 29645 W. 14 Mile Road, #200, Farmington Hills, MI will be managed by Beaumont Health System and under the direct control of the Corporate Radiation Safety Officer. The location of the nuclear cardiology department, including the equipment, facilities where radioactive materials are used and stored, will not change. No relevant equipment or procedural changes are expected at this time.

5.4 Surveillance Records

The Corporate Radiation Safety Officer for Beaumont Health System reviewed the applicable surveillance requirements and records including leak tests, physical inventories, compliance audits, dosimetry, radioactive waste and disposal, and instrument calibration records. All required surveillance has been performed, reviewed, and documented.

5.5 Decommissioning and Related Records Transfer

29645 W. 14 Mile Road, #200, Farmington Hills, MI is currently licensed for material in 10 CFR 35.200 and is exempt from this requirement to maintain and transfer effluent and disposal records. Beaumont Health System will accept full responsibility for any future decommissioning at this site, including any contamination of facilities and equipment.

5.6 Transferee's Commitment to Abide by the Transferor's Commitment

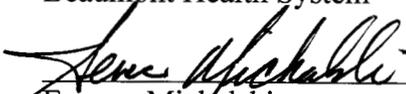

Beaumont Health System will comply with conditions of the NRC License 21-20324-01.

Attached is the request for amendment to NRC License 21-20324-01 to change conditions 1, 2, 11, and 12 effective September 1, 2011.

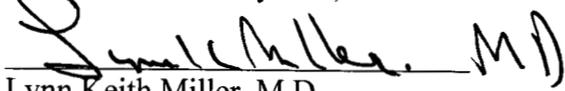

Sincerely,

Cheryl Culver Schultz, M.S.
