Docket No. 50-305

Gentlemen:

It has come to our attention, through the resident inspector, that the Kewaunee plant has not received a copy of Dr. Knuth's letter dated December 31, 1974, which transmits a description of modifications to enforcement action criteria and to categories of noncompliance.

We have enclosed a copy of the communication. Should you have any questions on this matter, please feel free to discuss them with us.

Sincerely yours,

Gaston Fiorelli, Chief
Reactor Operations Branch
