Docket No. 50-305

Wisconsin Public Service Corporation
ATTN: Mr. E. W. James
Senior Vice President
Post Office Box 1200
Green Bay, Wisconsin 54305

Gentlemen:

Your letter of March 30, 1976, transmitted a report entitled "Summary of WPS Core Analyses Comparisons" and requested that the report be withheld from public disclosure. By letter dated December 13, 1976, the NRC requested additional justification within 30 days for withholding the information. On March 17, 1977, the NRC placed the document in the Public Document Rooms, since we had not received the additional justification.

Your letter of June 27, 1977, requested that the NRC remove the document from the public document rooms, which has been done. The letter also provided additional justification for withholding the document.

While such comments as stated in the June 27, 1977 letter are valuable in aiding the NRC in making its determination as to whether the information should be accorded proprietary treatment and withheld from public disclosure, still further information is needed before the NRC can make a final decision in this matter. Your response should discuss the following factors:

1. Extent to which the information is known outside the business of the owner of the information;
2. The extent to which it is known by employees and others involved in the owner's business;
3. The extent of measures taken by owner to guard the secrecy of the information;

- 6. The ease or difficulty with which the information could be properly acquired or duplicated by others.

Please respond within 45 days from the date of receipt of this letter.

Docket 50-305

NOTE TO JERRY COOKE, OELD:

I offer the following comments/questions on the last sentence of the attached letter to Wisconsin Public Service. They did not respond in a timely fashion on a previous request for additional justification for withholding of an item.

1. We, to my knowledge, have never given more than 30 days for providing addl. justification. Per the wording of Part 2, we can give more. If we do it for Wisconsin in this case, it appears that we are being extra nice to them for not doing what others generally have to do the first time we ask. Based on that, I do not think we should give them more than the usual 30 days.
2. Also, I think that we should tell them again that it will be place in the PDR and perhaps not removed if they do not respond in the time specified. I recognize it was there in the PDR before and removed.

Reba: Better show that, send the letter to W and give them 30 days, if 45 days bothers you

I would love to see this. He didn't follow it. Shirley according to Shirley S. He didn't follow it.
