RE: LICENSE NUMBER 45-25330-01

As we discussed by phone, this is a request for expedited action to add an authorized user to Radiocat's license, License Number 45-25330-01. Expedited action is being requested because the current authorized user at a Radiocat location is moving from the Radiocat location and will no longer be available.

Please amend this license to add Kerense Rechner, DVM as an authorized user. Two statements of training and experience for Dr. Rechner are attached. When Dr. Rechner is authorized, please remove John Stephan, DVM as an authorized user on the license. If you have any questions or require additional information, please call me at 847-965-1999.

Sincerely,

Eli A. Port, CHP, CIH, P.E.
