Gentlemen:

Docket 50-305
Operating License DPR-43
Kewaunee Nuclear Power Plant
Report of On-Site Property Damage Insurance

This letter is sent in accordance with the requirements of 10CFR50.54(W)(4) which requires that all licensees report on April 1 of each year to the Commission their present levels of on-site property damage insurance or financial protection.

The total amount of on-site property damage insurance which WPSC currently maintains on the Kewaunee Nuclear Power Plant is \$460,000,000 plus an additional amount up to \$68,000,000 for damage in excess of \$500,000,000.

The excess insurance was recently raised to \$68,000,000 from \$67,000,000. We have not received the endorsement for this recent change from our insurance broker at this time, but will forward it to you after we receive it.

To our knowledge, this amount of insurance coverage complies with the requirement of 10CFR50.54(W)(1).

Very truly yours,
