Gentlemen:

Docket 50-305  
Operating License DPR-43  
Kewaunee Nuclear Power Plant  
Emergency Preparedness Media Education

This letter is submitted as confirmation of the December 18, 1991, telephone conversation between Mr. J. Foster of NRC - Region III and Mr. D. Seebart of Wisconsin Public Service Corporation (WPSC). During this conversation, Mr. Foster indicated that it would be acceptable for Kewaunee to postpone the 1991 media education commitment to be completed as soon as possible and no later than February 28, 1992. Allowing this extension will permit WPSC to join the State of Wisconsin, Kewaunee and Manitowoc Counties, and FEMA in sending a combined media education package to fulfill both the utility and offsite agency media education commitments.

The format of the package will be as follows:

1. One page of information from each organization.
2. A sign-off page acknowledging receipt of the information and an opportunity to request more information from any or all of the organizations.

Wisconsin Public Service Corporation (WPSC) has volunteered to mail and receive feedback on this information package. WPSC will also coordinate fact-to-face education sessions if the media requests it.
