**FACILITY LICENSE APPLICATION FILED BY WISCONSIN PUBLIC SERVICE  
CORPORATION, KEWAUNEE NUCLEAR POWER PLANT, DOCKET NO. 50-305**

I am forwarding the "General Information" portion of an application filed by Wisconsin Public Service Corporation for authorization to construct and operate a pressurized water nuclear reactor, designated as the Kewaunee Nuclear Power Plant, on the applicant's site located in the Town of Carlton, Kewaunee County, Wisconsin.

You will note that the plant will be owned by Wisconsin Public Service Corporation, Wisconsin Power and Light Company, and Madison Gas and Electric Company, as tenants in common, but will be designed, constructed and operated by the applicant. Financial data for each company is included in the application.

The applicant has included a figure of \$15,000,000 as the cost of the initial core and a figure of \$83,000,000 as the estimated cost of the project, exclusive of fuel and transmission costs. Please advise what cost breakdown you will require in order to complete your review of the applicant's financial qualifications to undertake the proposed activities.
