R. S. Boyd, Assistant Deputy Director
for Reactor Projects
Directorate of Licensing

QA ASSESSMENT-WISCONSIN PUBLIC SERVICE CORPORATION (KEWAUNEE)

Reference: Memorandum, Boyd to O'Leary, "Actions to be Taken
Regarding QA Assessment of Projects Currently in
Some Phase of the Hearing Process", October 10, 1973.

By means of this memorandum we are informing you that the proposed
schedule for production of an affidavit on the satisfactory develop-
ment and implementation of the QA program at Kewaunee (10/26/73) will
not be met. Our Region III Office has been informed by the licensee
that the program is not complete. We anticipate that the program
will be ready for inspection the first week in November.
