OPERATING LICENSE FEE - KEWAUNEE FACILITY

On August 13, 1973, your office notified the Business Management Branch that an operating license fee of \$242,610 was paid by Wisconsin Public Service Corporation (WPSC), for the subject facility. This fee was determined in accordance with the May 25, 1972 fee schedule (1238 Mwt @ \$95/Mwt plus \$125,000).

Since the proposed operating license will be issued under the revised fee schedule, which became effective August 10, 1973, please send an invoice to WPSC for an additional operating license fee of \$236,420. The total fee for the Kewaunee facility is \$479,030, based on 1238 Mwt @ \$185/Mwt plus \$250,000.
