TO: L. P. Crocker, Project Manager for Kewaunee
PWR Branch #2, Directorate of Licensing

SUBJECT: Kewaunee Nuclear Power Plant (Docket No. 50-305)
Search for Internal Memoranda

The files of the Materials Engineering Branch have been searched and I verify that all internal memoranda with regard to materials engineering of the Kewaunee Nuclear Power Plant have been submitted to you as question lists and safety evaluation reports. These documents have also been placed in the Docket File during the process of technical review for the subject plant.
