INDUSTRY CREDIT RATING PLAN

PREMIUM ENDORSEMENT

It is agreed that Condition 1 of the policy is replaced by the following: CONDITION 1. PREMIUM

(1) Definitions: With reference to the premium for this policy:

"advance premium", for any calendar year; is the estimated standard premium for that calendar year;

"standard premium", for any calendar year, is the premium for that calendar year computed in accordance with the companies' rules, rates, rating plans (other than the Industry Credit Rating Plan), premiums and minimum premiums applicable to this insurance;

"reserve premium" means that portion of the standard premium paid to the companies and specifically allocated under the Industry Credit Rating Plan for incurred losses. The amount of the "reserve premium" for this policy for any calendar year during which this policy is in force is the amount designated as such in the Standard Premium Endorsement for that calendar year;

"industry reserve premium", for any calendar year, is the sum of the reserve premiums for that calendar year for all Nuclear Energy Liability Policies issued by Nuclear Energy Liability Insurance Association and Mutual Atomic Energy Liability Underwriters and subject to the Industry Credit Rating Plan;

"policy refund ratio", for any calendar year, is the ratio of the named insured's reserve premium for that calendar year to the industry reserve premium for that calendar year;

"incurred losses" means the sum of:

- all losses and expenses paid by Nuclear Energy Liabflity Insurance Association and Mutual Atomic Energy Liability Enderwriters, and
- (2) all reserves for unpaid losses and Expenses as estimated by Nuclear Energy Liability Insurance Association and Mutual Atomic Energy Liability Underwriters

INDUSTRY CREDIT RATING PLAN

PRENIUM ENDORSEMENT (Cont.)

because of obligations assumed and the expenses incurred in connection with such obligations by members of Nuclear Energy Liability Insurance Association and Mutual Atomic Energy Liability Underwriters under all Nuclear Energy Liability Policies issued by Nuclear Energy Liability Insurance Association and Mutual Atomic Energy Liability Underwriters and subject to the Industry Credit Rating Plan;

"reserve for refunds", at the end of any calendar year, is the amount by which (1) the Sum of all industry reserve premiums for the period from January 1, 1957 through the end of such calendar year exceeds (2) the total for the same period of (a) all incurred losses, valued as of the next following July 1, and (b) all reserve premium refunds made under the Industry Credit Rating Plan by members of Nuclear Energy Liability Insurance Association and Mutual Atomic Energy Liability Underwriters;

"industry reserve premium refund", for any calendar year, is determined by multiplying the reserve for refunds at the end of the ninth calendar thereafter by the ratio of the industry reserve premium for the calendar year for which the premium refund is being determined to the sum of such amount and the total industry reserve premiums for the next nine calendar years thereafter, provided that the industry reserve premium refund for any calendar year shall in no event be greater than the industry reserve premium for such calendar year.

(2) Fayment of Advance and Standard Premiums. The named insured shall pay the companies the advance premium stated in the declarations, for the period from the effective date of this policy through December 31 following. Thereafter, at the beginning of each calendar year while this policy is in force, the named insured shall pay the advance premium for such year to the companies. The advance premium for each calendar year shall be stated in the Advance Premium for such calendar year issued to the named insured as soon as practicalbe prior to or after the beginning of such year.

As soon as practicable after each December 31 and after the termination of this policy, the standard premium for the preceding calendar year shall be finally determined and stated in the Standard Premium Endorsement for that calendar year. If the standard premium so determined exceeds the advance premium previously paid for such calendar year, the named insured shall pay the excess to the companies; if less, the companies shall return to the named insured the excess portion paid by such insured.

PREMIUM ENDORSEMENT (Cont.)

The named insured shall maintain records of the information necessary for premium computation and shall send copies of such records to the companies as directed, at the end of each calendar year, at the end of the policy period and at such other times during the policy period as the companies may direct.

- (3) Use of Reserve Premiums. All reserve premiums paid or payable for this policy may be used by the members of Mutual Atomic Energy Liability Underwriters to discharge their obligations with respect to incurred losses whether such losses are incurred under this policy or under anylother policy issued by Nuclear Energy Liability Insurance Association or Mutual Atomic Energy Liability Underwriters.
- (4) Reserve Premium Refunds. A portion of the reserve premium for this policy for the first calendar year of any group of ten consecutive calendar years shall be returnable to the named insured provided there is a reserve for refunds at the end of the tenth calendar year.
- (5) Computation of Reserve Premium Refunds. The reserve premium refund due the named insured for any calendar year shall be determined by multiplying any industry reserve premium refund for such calendar year by the policy refund ratio for such calendar year. The reserve premium refund for any calendar year shall be finally determined as soon as practicable after July 1 of the tench calendar year thereafter.
- (6) Final Premium. The final premium for this policy shall be the sum of suandard premiums for each calendar year, or portion thereof, during which this policy remains in force less the sum of all refunds of reserve premiums due the named insured under the provisions of this Condition 1.

- (1) The provisions of the policy applicable to the financial protection required of the named insured,
- (2) The agreement of indemnification between the named insured and the Atomic Energy Commission made pursuant to section 170 of the Atomic Energy Act of 1954, as amended, and
- (3) The limit of liability provisions of subsection 170 e. of the Atomic
 Energy Act of 1954, as amended.

Such waivers shall not preclude a defense based upon the failure of the claimant to take reasonable steps to mitigate damages.

Subject to all of the limitations stated in this endorsement and in the Atomic Energy Act of 1954, as amended, the waivers set forth in paragraph 1. above shall be judicially enforceable in accordance with their terms against any insured in an action to recover damages because of bodily injury or property damage to which the policy applies at proof of financial protection.

As used herein:

1:

5.

"Extraordinary nuclear occurrence" means an event which the Atomic Energy Commission has determined to be an extraordinary nuclear occurrence as defined in the Atomic Energy Act of 1954, as amended.
