Subject: Question

Nadja,

I recently came by to ask you a question, which you asked me to place in an e-mail.

Here is the situation:

NRC is going on a site visit for the SOARCA project in approximately 2 weeks. DSA would like to hire the services of a subject matter expert to accompany us on this trip. The total costs will be less than 3k, and the costs to NRC will ONLY involve the staff time for the subject matter expert and NO travel costs. Can we do this through the purchase card?

Thanks,
Richard Chang
