Subject: RE: Final Public Comment Period for the Revisions to 10 C.F.R. 50.46(b)

Dear Mr. Leyse,

The current rulemaking schedule is to provide the proposed rule to the EDO by February 29, 2012. The proposed rule will be published for public comment following the Commission's review. Therefore, I cannot give a more specific time frame for the opening of the public comment period other than to say it will be after February 29, 2012.

Thank you,

Tara Inverso

Dear Ms. Inverso:

Would you please tell me when the NRC is planning to have its final public comment period for the revisions to 10 C.F.R. 50.46(b)? If you cannot give me that information, I would appreciate it if you would inform me when the comment period is opened.

Thank you,

Mark Leyse
