SUMMARY

We have reviewed your requesting license amendment request and find that we are unable to continue this action until we have received information regarding the following:

The request to amend the above referenced Radioactive Materials license must be signed by management. The submitted signature is illegible. Please resubmit the signed cover sheet, including the name of the signing official, as required by 10 CFR 30.32 (c).

RESPONSE: A signed cover sheet was submitted and received via facsimile on May 2, 2011. No additional information is required.

We have requested that you submit the referenced item –

A signed cover letter requesting the amendment to your Radioactive Materials License.

– via facsimile, to (630) 515-1078. Please reference the Control No. 574506, as listed at the top of this memo. We expected to, and did, hear from you on or before May 5, 2011.

For future reference, please always include the name, phone number and fax number of at least one person whom we may contact for additional information when reviewing your licensing correspondence and requests.

No further information is required at this time.

Please direct any questions you have to me at (630) 829-9892 or sara.forster@nrc.gov.
