RAI for Amendment Request dated April 26, 2011

(NOTE: This will be used as the  
Documents Title in ADAMS)

The following additional information is necessary to support amendment:

1. ORAU Training Certificate for CPT Cho to support RSO change request
2. ABR Board Certificates for Drs. Kocher and Taylor
3. Preceptor statement for 35.290 for Dr. Kocher
4. Training in items F and G of 35.290 (administering dosages and eluting generators) for Dr. Kocher
5. Copy of preceptor/supervising authorized users licenses to confirm their status as Aus

Additionally, I discussed with CPT Williams that if Drs. Kocher and Taylor submitted their ABR certificates that a preceptor from this facility could sign the revised preceptor statements to support their addition to the license for 35.100 and 35.200. This would replace the need for Items 3-5.
