Mr. Daniel R. Muller, Assistant Director
for Environmental Projects
Directorate of Licensing, US-AEC
Washington, D. C. 20545

Dear Mr. Muller:

This responds to your letter of September 21, 1972, concerning our development of an Appendix B on Non-Radiological Tech Specs.

We will submit our response in the form of a proposed environmental technical specification and bases by October 13, 1972.

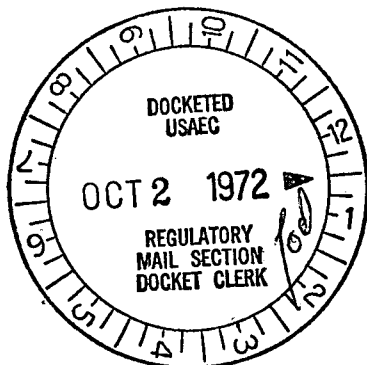

It is therefore our expectation that this will maintain our licensing review schedule.

Very truly yours,
