Dear Mr. Giambusso:

Subject: Submittal of Benefit and Cost Information

AEC Docket 50-305

In response to your letter of May 12, we are expecting to submit the additional information requested for the environmental report by the date requested.

As summarized in USAEC "Notice of Availability" dated December, 1971, this report was originally submitted in January, 1971, and revised in June and November with all submissions governed by AEC criteria and suggestions culminating in the essentially completely rewritten report of November, 1971.

Requests for information in altered format divert key people from other vital tasks in construction and licensing of the Kewaunee Plant.

Very truly yours,
