Docket No. 50-305

DEC 20 1972

Brown County Planning Commission
100 North Jefferson Street
Green Bay, Wisconsin 54301

Gentlemen:

This supplements our previous correspondence to you transmitting the Environmental Report and supplements thereto submitted by the Wisconsin Public Service Corporation for the Kewaunee Nuclear Power Plant, together with the Draft Detailed Statement.

The AEC regulatory staff has analyzed the environmental report and supplements thereto, and the comments of Federal, State, and local agencies and interested members of the public on the Draft Detailed Statement, and has prepared a Final Statement on the environmental considerations related to the operation of the Kewaunee Plant. These comments are included as appendices to the Final Statement. Copies of the Final Statement and the Federal Register notice of availability are enclosed. The notice of availability has been transmitted to the Office of the Federal Register for publication.

Request for copies of the Final Statement should be addressed to the United States Atomic Energy Commission, Washington, D.C. 20545, Attention: Deputy Director for Reactor Projects, Directorate of Licensing.

Sincerely,

Original signed by B. J. Youngblood *[Signature]*

Daniel R. Muller, Assistant Director
for Environmental Projects
Directorate of Licensing
