Dear Sir:

The enclosed Kewaunee Nuclear Power Plant Draft Environmental Statement was distributed in July to Federal, State and local agencies for comment. In a letter from the Assistant Secretary of Commerce which commented on the statement, it was suggested that we send a copy to you for comment on Lake Michigan currents. Therefore, we would appreciate your review of this subject and receipt of your comments by October 13, 1972, if possible.

I am also enclosing copies of two letters from the Assistant Secretary of Commerce with comments on the Draft Environmental Statement. If you have any question or desire additional information please contact R. G. West of my staff on 301-973-7731.

Sincerely,

Original signed by Daniel R. Muller
