SUBJECT: REQUEST FOR EXTENSION TO REPLY TO A NOTICE OF VIOLATION

Dear Mr. Walsh,

In a letter dated June 14, 2011, from yourself to the NRC, Global Nuclear Fuel – Americas (GNF-A), requested additional time to reply to a Notice of Violation (NOV) issued by the NRC on May 18, 2011. In the letter GNF-A is requesting the NRC to engage in Post-Investigation Alternative Dispute Resolution (ADR) with respect to the enforcement action and for an extension to reply to the NOV beyond the date in time from which the NRC decides on your ADR request.

I grant your request; however, in the event that the NRC declines to engage in ADR or if a satisfactory resolution cannot be reached using the ADR process, the NRC will require a written response to the NOV within seven days from either date.

Sincerely,

/RA/
