Thanks Tekia. I will make sure to proof this against the formal RAI letter.

David:

Per your request please find attached the WORD file for RAI letter number 6. Please be advised that the word version is not the NRC official record of the RAIs that were submitted to Exelon. You will need to ensure that the RAI responses properly addresses the questions that were sent to Exelon in the agency's official RAI letter.

Tekia – Is it possible to get the WORD file for this NRC RAI Letter No. 6? It would help me to create the response submittal letters, which we format in a Question /Response format, repeating each RAI and then its response. Having the WORD file would allow me to not have to retype each RAI.

Thanks.
