Subject: Response Requested: Draft RAIs for Victoria County Station ESP Application

Good Afternoon David,

Attached are draft RAIs in support of the safety review for the Victoria County Station ESP application. Please take a moment to review the questions to ensure that you understand what the staff is asking.

There are five RAIs. RAI 5396 has 1 question, RAI 5289 has 1 question, RAI 5291 has 1 question, RAI 5290 has 1 question and RAI 5407 has 3 questions for a total of 7 questions.

Be sure to let me know if a clarification call is needed by no later than Friday, February 18, 2011.

As a reminder, the purpose of a clarification call is to clarify what the staff is asking; it is not a forum to debate a technical issue in the question or share your intended response with the staff as either of those types of calls require a public teleconference. So, please keep this mind.

If a clarification call is not needed, please let me know this information as well.

Thanks

Janelle
