Subject: Draft RAI Set #6 - Requested Response Time

Janelle – Per our discussion yesterday, Exelon requests the following RAI response times for Draft RAI Set # 6:

1. Question # 19814 – Response to this RAI requires a relatively complex calculation to develop the water level time series requested in the RAI. Exelon requests a response time of 180 days (August/September 2011 timeframe).
2. Question # 19815 – Exelon requests a 45 day response time.
3. Questions 20015 – 20035 – Response to the E-Plan RAIs will likely require discussions with various state and local agencies and revisions to various E-Plan documents Exelon requests a response time of greater than 45 days. I may be able to be more specific on Monday after additional discussion with our contractor.

Please let me know if any additional information is needed.

Thanks.
