Subject: Response Requested: Draft RAIs for Victoria County Station ESP Application

Good Afternoon David,

Attached are draft RAIs in support of the safety review for the Victoria County Station ESP application for chapters 2, 13 and 15. There are three RAIs. RAI 5364 has 2 questions, RAI 5468 has 16 questions and RAI 5560 has 2 questions.

Please take a moment to review the questions to ensure that you understand what the staff is asking. Please be sure to let me know if a clarification call is needed by no later than Tuesday, March 8, 2011.

As a reminder, the purpose of a clarification call is to clarify what the staff is asking in the RAI questions. It is not a forum to debate a technical issue in the question or to share your intended response with the staff to determine if it meets the mark, as either of those types of calls require a public teleconference.

If a clarification call is not needed, please let me know this information as well.

Thanks

Janelle
