Re: Kewaunee Nuclear Power Plant

Dear Bob:

I am enclosing for your use a xeroxed copy of the Final Environmental Statement which was sent to the printer on Thursday, December 14. As we agreed, this document is being provided to you at this time to enable you to prepare for the environmental portion of the hearing without waiting for the printed statement, and that upon receipt of the printed copy, you will discard this interim statement.

It is my understanding that the printing of the Final Environmental Statement should not take more than a week. Therefore, I am hopeful that you will have the printed Final Environmental Statement by Friday, December 22.

Sincerely,

R. Rex Renfrow, III
