Hi Ginger,

Thank you for visiting with me this morning regarding Governor Fallin's designee for the US Nuclear Regulatory Commission. She would be happy to have LTC Greg Allen continue to serve in that capacity.

Thank you,
Madeline Mitchell

Re: Oklahoma State Governor Designee for NRC

Dear Governor Fallin,

The United States Nuclear Regulatory Commission has requested your designee for NRC related issues. I was the most recent designee, before being replaced by LTC Greg Allen, upon my being appointed as Commissioner.

LTC Greg Allen is fully capable of fulfilling this role. If you concur and have no objections, DPS will formally notify the Nuclear Regulatory Commission that LTC Allen will be our designee.

Please let me know if you have any questions related to this matter.

Respectfully,

Michael C. Thompson
Secretary of Safety and Security
Commissioner of Department of Public Safety

MCT/gg

Dear Major Thompson:

You are listed as the State official designated by your Governor to receive advance notification of transportation of certain shipments of nuclear waste and spent fuel through your State, as required by Section 301 of Public Law 96-295 and implemented by provisions in Title 10 of the *Code of Federal Regulations* (10 CFR), Parts 71 and 73. You are also listed as the designated State official to receive advance notification of other shipments of certain radioactive materials from the U.S. Nuclear Regulatory Commission (NRC) and Agreement State licensees as part of the enhanced security measures issued by the NRC following the terrorist events of September 11, 2001.

The applicable portions of the regulations that pertain to advance notification and to the physical protection of these shipments while in transit are enclosed. They may also be found on the Web at: <http://www.nrc.gov/reading-rm/doc-collections/cfr/part071/part071-0097.html> and <http://www.nrc.gov/reading-rm/doc-collections/cfr/part073/part073-0037.html>, respectively.

We are required to publish an updated list of Governors' designees in the *Federal Register* on or about June 30th of each year. For 2011, it is necessary that you contact us to verify the following Governor Designee information for your state:

Major Mike Thompson, Zone Commander
Oklahoma Dept. of Public Safety
Oklahoma Highway Patrol
P.O. Box 11415
Oklahoma City, OK 73136-0145

Office Phone: (405) 425-7701

 By May 6, 2011, please (1) confirm the information above is accurate, or (2) provide us with corrected designee information. Also, please provide a photocopy of a letter, memo, or e-mail that confirms such designation by your Governor. This will allow licensees to provide advance notification to the designated individual pursuant to the enclosed applicable portions of 10 CFR 71 and 73, §71.97 and §73.37. Without such confirmation, the licensees will be unable to provide advance notification to anyone other than the Governor of your State.

Please provide your responses to Stephen Salomon of my staff by phone at 301-415-2368, by e-mail at Stephen.Salomon@nrc.gov, or by Fax at 301-415-5955.

The current complete list of Governors' designees, including addresses and phone numbers, may be found on NRC's Office of Federal and State Materials and Environmental Management Programs' (FSME) website at: <http://nrc-stp.ornl.gov/special/designee.pdf>.

Finally, NRC recognizes the importance of quick and timely communication of information to the States. NRC maintains an e-mail distribution system to provide information to the Governor-appointed State Liaison Officers and State Radiation Control Program Directors; similarly, we seek to maintain a dedicated list server for Governors' designees in order to provide non-safeguards information electronically. **Thus, we request that you provide an e-mail address so that we may communicate this information to you in an expedited fashion.** We will not publish your e-mail address in the *Federal Register*, but will use it to provide information to you in a manner that is timelier than regular mail service.

During the year, please keep us informed of changes in Governor Designee phone, address, and e-mail contact information which may arise.

Your cooperation in this matter is greatly appreciated.

Sincerely,

Josephine M. Piccone, Director
Division of Intergovernmental Liaison
and Rulemaking
Office of Federal and State Materials
and Environmental Management Programs
