**Subject:** Status of White paper for RAI 254 and 255

Dimitri,  
Can you give me a status of the white paper for the #254 and 255 RAIs? Also we are having issues with the MACCS2 codes input/output files. There are apparently several large files on the CD and it is not clear which files have the runs that were used to calculate the numbers in the ER.  
Thanks  
Laura
