The Nuclear Regulatory Commission staff hereby submits the following errata to its June 16, 2011 brief<sup>1</sup> responding to the Licensing Board's Memorandum and Order (Providing Presentation Topics, Additional Questions, and Administrative Directives Associated with Mandatory Hearing on Environmental Matters) of June 2, 2011.<sup>2</sup> In a June 21, 2011 Memorandum and Order,<sup>3</sup> the Licensing Board directed the staff to submit (1) the document the staff proposed marking as exhibit NRCR00077 in its June 16, 2011 submission as an entirely new prefiled exhibit and (2) a revised version of prefiled exhibit NRC000184 that reflects any citation revisions required by the resubmission of the document previously submitted as NRCR00077.
