Mary,

Thank you for identifying figure numbers.
I went though all ER and FSAR and reached the same result.
We will fix all and confirm all will be passing preflight.

When you complete testing for packing slip and hyperlinks, please let me know.

Best Regards,
Yukako

Steve,

Thank you for letting me know.

If you can identify specific files, that would be nice. Also we will go through single files of ER and FSAR. I have finding of figures has issues.

Questions

1. We will fix all issue later and can I try the test submittal again ?
2. How was the hyperlinks between COLA and DCD in ADAMS system and the packing slip? I hope they were fine.

Best Regards,
Yukako

Yukako,

The CDs failed preflight. Some of the documents within the ER and FSAR were not Fast Web View enabled.
Thanks

Stephen
