Subject: 2011-06-13 Response Schedules for RAI-221 (5798) and RAI-222 (5789)

Steve,

I am sending this while you are on leave so that we can discuss when you return. There are two recent RAIs in which Luminant needs additional time to prepare responses.

For RAI-221 (5798), Luminant requests two additional weeks which would make the new response date 7/22/11. This RAI concerns SASSI applications and requires Luminant to review multiple calculations.

For RAI-222 (5789), Luminant requests three additional weeks which would make the new response date 7/29/11. This RAI concerns seismic time histories and requires very specific technical support. The extension is needed based on the availability of that support.

We can discuss these extensions when you return to your office.

Thanks,

Donald R. Woodlan

Manager, Nuclear Regulatory Affairs

Luminant Power
