AMENDMENT NO. 18 ERRATA - INSTRUCTIONS

Received w/ Ltr Dated 6-2-72

Certain material was inadvertently omitted or submitted in error in Amendment No. 18 of May 19, 1972. The instructions below and attached material have been prepared to correct these deficiencies.

Item 1. The attached pages 7.5-5/6 correct a line missing from the last paragraph of page 7.5-5 in the copies submitted with Amendment No. 18.

Item 2. On page 3 of the Instructions for making page changes for Amendment 18, (5-19-72) the instructions direct that pages 14-iii/iv (5-19-72) are to be inserted and pages 14-iii/iv (1-4-72) are to be removed. Pages 14-iii/iv (5-19-72) were not included with Amendment No. 18, so the pages dated 1-4-72 should not be removed. A complete Table of Contents revision will be included in a later amendment which is to be submitted to make final editorial changes of this sort which do not affect the substantive content of the Final Safety Analysis Report.

Item 3. The attached pages H.4-19/20 correct the unit "Rem" in the table on page H.4-20. Insert this in place of the pages H.4-19/20 submitted with Amendment No.18.

Item 4. On page 3, the Instructions for Amendment No. 18 direct that Entire Appendix H (5-19-72) is to be inserted and Entire Appendix H (5-12-72) is to be removed. Page H.5-1 of this Appendix was not included with Amendment No. 18 but it is included as an attachment to this letter and should be inserted.

Item 5. In Table H.4-1 submitted with Amendment No. 18 the numbers presented in the table duplicate those presented in Table H.4-2. The correct data are given in the revised Table H.4-1 attached. It should be inserted in place of the Table H.4-1 submitted with Amendment No.18.

Item 6. The attached Table H.4-2 corrects the unit "REM." It should be inserted in place of the Table H.4-2 submitted with Amendment No. 18.

Item 7. On page 3 of the Instructions for Amendment No.18 the entries for insertion of the revised answer to Question 5.79 were omitted. Revised pages Q5.79-1 thru 12 and Figure Q5.79-1 dated 5-19-72 (included with Amendment No.18) are to be inserted, and pages Q5.79-1 thru 15 and Figure Q5.79-1 dated 1-4-72 should be removed.

Item 8. The attached pages Q7.1-1/2 correct the second line of Item 7, page Q7.1-2 to read "--(above hot shutdown Tavg)--". Insert this in place of pages Q7.1-1/2 submitted with Amendment No.18.

File the cover letter sent herewith and these Amendment No.18 Errata Instruction pages in the front of FSAR Volume 1 as a record of change.
