Dear Mr. Purple:

Subject: Docket 50-305  
Operating License DPR-43  
Proposed Tech Spec Change - Administrative Controls

Your letter of October 18, 1974 to Mr. E. W. James requested Wisconsin Public Service Corporation to submit prior to December 1, 1974 a proposed change to the section on "Administrative Controls" in our Technical Specifications. On November 4, 1974 in Mr. Giesler's conversation with your Mr. L. W. McDonough we indicated that we are in the process of making organizational changes to the Plant Staff and the Nuclear Engineering Group which will strengthen the organization through the realignment and addition of personnel. We further indicated that we prefer to make one submittal of the proposed changes to "Administrative Controls". Mr. McDonough suggested we formally request an extension to the submittal date.

We, therefore, request an extension to January 15, 1975 for submittal of our proposed changes to the section on "Administrative Controls" in our Technical Specifications.

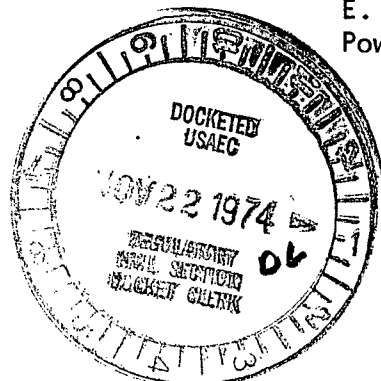

Very truly yours,

A handwritten signature in cursive script, appearing to read "E. W. James".

E. W. James, Senior Vice-President  
Power Generation & Engineering
