Gentlemen:

Docket 50-305  
Operating License DPR-43  
Kewaunee Nuclear Power Plant  
NRC - Accreditation

WPSC is pleased to inform you that the Kewaunee Nuclear Training Center is now a Branch of the National Academy for Nuclear Training.

The National Nuclear Accreditation Board met on October 29, and awarded accreditation to all six (6) of the programs which were submitted:

- 1) Senior Reactor Operator
- 2) Reactor Operator
- 3) Non Licensed Operator
- 4) Shift Technical Advisor
- 5) Radiation Technologist
- 6) Chemistry Technologist

This accomplishment required a serious and determined effort which we will continue to exert as we endeavor to gain accreditation of the remaining four programs in the future.

Sincerely,

D. C. Hintz  
Vice President - Nuclear Power
