Subject: Corrections to June 23, 2011 Corps's Letter to PEF (UNCLASSIFIED)

Classification: UNCLASSIFIED

Caveats: NONE

Good morning Paul:

I want to get into the administrative record and to inform the other recipients of this email, the corrections in regard to two errors in the referenced letter, which you and I discussed yesterday.

- 1) Page 8, paragraph #9. Regulatory Division received the report from Engineering Division on June 23, 2011. The report was dated June 14, 2011.
- 2) Page 22, next to last paragraph should have referenced not the FEIS, but the date of the letter itself: "If a complete response to this letter is not received from you within 30 days after the date of this letter, the application will either be considered withdrawn or a final decision will be made. If PEF desires additional time to respond to this letter, please inform the Corps's project manager in writing either by email or letter with a proposed time schedule."

Thanks,
Don
