Kathy,

I have not heard from you regarding this meeting. As mentioned in a previous email we would be interested in having this meeting. The timeframes that work for the NRC is June 21st - July 8th. Please let us know if any of those dates work for you.

Thanks

Laura,

Would the NRC and the Baltimore District like to get together and have an after action report - discussion about what went well; did not; how we could improve the process, etceteras.

I'd also like to bring in the EPA and the other State and Federal resource agencies. Your thoughts?

Thank you,

Kathy B. Anderson

Subject: Issuance of FEIS

As many of you know, we issued the FEIS this past Friday, May 13, 2011. I wanted to thank you all for a job well done. I appreciate all the hard work everyone did to get the FEIS out the door. I will be getting you all CDs and hardcopies over the next few days.

Thanks again,

Laura
