Mr. Rosenbush,

The FEIS can be found at <http://www.nrc.gov/reading-rm/doc-collections/nuregs/staff/> and then click on the NUREG-1936 link. Our NUREGs website has NUREGs that were issued in the 1970's available so I would say that as long as the agency has a NUREG website you will have access to the FEIS. Now the files are rather large and depending on your internet connection/speed it can take a while to download. If that is an issue I would be happy to FedEx CDs and/or hardcopies to you. Just let me know.

Hope that helps,
Laura

Ms. Lopas, and Ms. Quinn: Hello. Is the Calvert Cliffs FEIS still online? How long will it be posted there? Could you kindly send me the link to the spot on NRC's website? Pending your response to these questions, we may not need a hardcopy. Thank you.

Hello Ms. Lopas: It took ten minutes to download each volume of the FEIS. We were able to do so successfully. Kindly send the hard and CD copies. Thanks for your help. Bob Rosenbush, Maryland Department of Planning

Ms. Quinn's number is 301.415.2220, however, she is getting married this weekend and will only be in the office on Wednesday of next week.

In the meantime - please try the following link again - you have click through one or two more pages to get to the PDFs of Volumes 1 and 2, but I just double-checked and they are there:

<http://www.nrc.gov/reading-rm/doc-collections/nuregs/staff/sr1936/>

With ADAMS, go to <http://www.nrc.gov/reading-rm/adams.html>

Click on "Begin Web-based ADAMS Search"

Click on the "Simple Search" tab and paste the ML number and search for one at a time - the appropriate volume will show up at the bottom the search results (for reasons unknown!).

The ML numbers are ML11129A167 and ML11129A179.

But I'll ensure you get the hard and CD copies, too.

Ms. Lopas, and Ms. Quinn: Hello. I am a planner for the Single Point of Contact in Maryland: the State Clearinghouse for Intergovernmental Assistance. We received an e-mail notice from Ms. Kimberly Dent at NRC concerning the issuance of NUREG-1936, "Environmental Impact Statement for the Combined License (COL) for Calvert Cliffs Nuclear Power Plant Unit 3: Final Report" (FEIS). We were unable to access the document via your web sites (including the ADAMS reading system). Could we get eleven (11) CDs, and one (1) hard copy? Could you please grant us an extension of the routine thirty (30) day review period so that it would begin approximately on the day that we receive the CDs? Your help is appreciated.
